

# Midweek Lent Services

## ***"AT THE FOOT OF THE CROSS"***

My Dear Brother and Sisters in Christ:

This year the midweek Lenten services will attempt to draw you to the Cross of Christ; to meditate upon his passion and death for you and the world. Scripture and the chief parts of the catechism will focus our attention on the one who delivers us from our self-made prison of sin leading to death.

The Sunday bible studies during this Lenten season will focus on the previous midweek Lenten theme. May God guide this time to draw our eyes to Christ Jesus. Reverend Froh.
